That is what the months of July and August look like! Here in Colorado Springs we have several events taking place. As you read about them, pray as the Lord directs your thoughts.

**JULY 6-7 LEADERSHIP DEVELOPMENT PROGRAM:** This is a two-day workshop, covering four of the program's leadership values ... drawing out the best in others (developmental leaders), aligning with God's agenda (discerning leaders), maximizing synergy within teams and among partners (collaborative leaders), and flourishing in life and ministry (healthy leaders). This workshop is for existing or potential leaders within One Challenge. Four couples from overseas and six leaders from within our office here will be attending this workshop. It will be an interactive discussion format.

**JULY 8-17 PEP (Personal Enrichment Program):** This week and a half is for our missionaries who have been on the field and now are returning to the U.S. for a period of time. These 10 days are for debriefing, rest, and encouragement ... found in a safe setting. Participants include 25 adults and 16 kids, representing South Africa, Europe, North Africa and the Middle East, Latin America, the Philippines, Singapore, Great Britain, and the U.S. For the kids, this is an important time to connect with each other as they re-enter life in the U.S., with some getting ready for college. Pray for all in attendance, and as you pray, remember the OC staff, mentors, and PEPkit (children's program) staff as they interact with our missionaries and kids. A very special time!

**JULY/AUGUST DEPLOYMENT:** One Challenge will be deploying at least two new missionary units during these months. Alex and Betsy and their four children (ages 6, 4, 2 ½, and seven months) will be leaving for Asia, and Greg and Denyse who, after 20 years here at the U.S. Mobilization Center, will be returning to their former place of ministry.

It's going to be the best summer ever! And who knows what other surprises we may encounter in these months? Thank you for praying.

In His grip,
