One Challenge

Responding to how God is moving worldwide, OC has moved from a North American headquartered organization to an International “Round Table” model - The Global Alliance

- Alliance Team is made up of two reps from each Mobilization Center
- Guidance Team is comprised of 7 appointed reps from various countries formulated to enhance communication and awareness between each MC
- Resource Teams are made up of OC missionaries having the knowledge of a particular area who serve as a resource for specific issues
- Ministry Teams carry out ministry in each of our fields
- All teams operate out of common “best practices” and meet both virtually and in-person when possible

GLOBAL ALLIANCE MOBILIZATION CENTERS

Over 50% of OC Missionaries are sent from countries other than the US
