**How to Automate
Your Giving**

You are a valued partner

We value you as a partner in ministry with us. Your contribution to further the Kingdom of God blesses us, believers around the world, and our Lord. We commend you and encourage you to continue to seek God's will for your giving. Should you be led to automate your giving, this brochure will assist you in that choice.

Setting up an automated form of contributions means that you:

- Make your regular donation through an automatic bank transfer or credit card payment
- Save the cost of postage for yourself and OC
- May change or cancel your donation at any time
- Receive an annual tax report from OC

Automated giving is one way to express an ongoing commitment which empowers your missionaries in their jobs.

OPTION #1

Checking Account Transfer

This is a safe way to contribute, free of any charges, and requiring minimal administrative processing for OC. To do this, please send in a voided check with the tear-off form provided. Checking account transfers are processed on the 15th of the month.

OPTION #2

Credit Card Transfer

To set this up, fill out the form and mail it to OC. Or, go to our website, click on the GIVE page, and fill out the online form. Credit card donations cost OC a 3.5% bank processing fee, and are processed on the 1st or 15th of the month.

If, after reviewing the options, you have any questions concerning automating your contributions, please call:
