

Everyone asks themselves two questions in life: Who am I? What am I doing here? Lifeworkx exists to help answer these questions with the understanding that each of us is *intentionally* and *uniquely* made on purpose for a purpose.

In the last 18 months, Lifeworkx has impacted 1,042 individuals at 21 events in 10 different countries. As a ministry of One Challenge, Lifeworkx is truly about transformation – one life at a time.
