STEP INSIDE THE CHÂTEAU – SHORT-TERM MISSION TRIP

“**Step Inside the Château**” (SIC) is a short-term mission trip that is one of OC’s field experience opportunities and is available to anyone 18 or over. Our vision for this trip is to give people a good intro to missions. It’s an opportunity to dip your toes in, have a cross-cultural experience, and work alongside experienced missionaries.

WHERE? Château de Saint-Albain, <http://chateaustalbain.com>, in Saint-Albain, France, in eastern Burgundy region. The Château is a castle that serves as an outreach center, under the ownership of Encompass World Partners. They host a variety of events from kids Bible camps, weddings, leadership retreats, to an annual live nativity.

WHAT WILL YOU BE DOING? Projects may include: renovation and organization, as well as hospitality services. Our team will work the first half of the day, then the afternoons will be filled with quiet/devotion time, touring nearby areas, and visiting neighboring ministries.

WHEN? May 23-June 5, 2018

COST? \$1500, approximate support requirement covers room, board and flight. (Additional personal tourism costs may be about \$100 - \$200. Note the exchange rate ... 1 US Dollar equals 0.81 Euro.)

ITINERARY? Fly into Paris. Work at the Château for 8 days. Spend 2-3 days of debriefing and tourism time in Paris before flying home.
