

OC GLOBAL ALLIANCE IMPACT – 2018

The OC Global Alliance – *Transforming Nations ... Together*

One Challenge is a member of the OC Global Alliance, an association of 13 OC mission-sending centers linked by a common vision. Global Alliance members commit to a shared mission, strategy, and values, and combine their resources and experience to fulfill the Great Commission.

Numerous teams in OC are multi-national, sent from several mobilization centers in the Global Alliance. This reflects the everchanging face of missions, with more mission workers being sent from Asia, Africa, and Central and South America.

We rejoice as we see the Holy Spirit use the multi-faceted body of Christ in unity to further the gospel among the nations. What a joy to reflect on what God did last year! May it encourage all of us to press on in the love of Jesus Christ.
