

You are a valued partner!

We value you as a partner in ministry with us. Your contribution to further the Kingdom of God blesses us, believers around the world, and our Lord.

We commend you and encourage you to continue to seek God's will for your giving. Should you be led to automate your giving, this brochure will assist you in that choice.

Setting up an automated form of contributions means that you:

- Make your regular donation through an automatic bank transfer or credit card payment
- Save the cost of postage for yourself and OC
- May change or cancel your donation at any time
- Receive an annual tax report from OC

Automated giving is one way to express an ongoing commitment which empowers your missionaries in their jobs.

Contributions are received with the understanding that OC has complete discretion and control over the use of all donated funds. This is to ensure that your gift is fully tax-deductible under IRS rulings.

OPTION #1

Recurring Monthly Auto Bank Transfer (EFT)

This is a safe way to contribute, free of any charges, and requiring minimal administrative processing for OC. To do this, please send in a voided check with the tear-off form provided. Checking account transfers are processed on the 15th or 30th of the month.

OPTION #2

Recurring Monthly Credit Card Transfer

To set this up, fill out the tear-off form and mail it to OC. Or, go to OneChallenge.org/give, and fill out the online form. Credit card donations cost OC a **3.5% bank processing fee**.

If, after reviewing the options, you have any questions concerning automating your contributions, please contact:
