

STAY CONNECTED

...AND REACH OUT WITH ONE CHALLENGE

Physical distance doesn't have to mean a lack of connection. Over the last three months of varying degrees of social distance, we've become accustomed to virtual communication. As a worldwide organization, One Challenge always looks for ways to share the good news of the gospel online. Through digital means, all of us can connect with people all over the world.

Below are ideas to help create connections, deliver encouragement, and facilitate prayer. **WOULD YOU CONSIDER JOINING US?** Let's follow Christ's leading as we move *forward together*.
