

# Get to Know One Challenge

## QUESTION:

*Who is One Challenge and what do they do?*

## ANSWER:

*We are a mission family who exists to serve the whole body of Christ – so, we do many things!*

A diverse ministry model makes it hard to explain exactly what OC does and who we are. OC workers impact communities in a lot of ways. Anchoring OC ministry are the vision, mission, and strategy statements. Alongside these statements are the guiding principles. These elements together not only describe who OC is, but also what the organization and its people value.

Throughout 2021, this back page will highlight the guiding principles and expressions of them in ministry around the world. Stay tuned!

## To begin, let's talk vision, mission, and strategy:

### OUR VISION

The body of Christ in unity bringing God's transforming love and hope to all people.

### OUR MISSION

We serve, equip, and connect the body of Christ and its leaders to advance God's kingdom among all people.

### OUR STRATEGY

We ask how God is at work, then assist the body of Christ to bring God's transformation to lives, communities, and nations.

## Now let's focus on our guiding principles:

Developing the **CHARACTER** of Christ

Growing **COMMUNITY** through relationships and accountability

**CREATIVITY** in innovation

Flourishing as we serve through lifelong **LEARNING**

**COLLABORATION** within the body of Christ

Investing deeply in order to produce **FRUITFULNESS**
