

# Get to Know One Challenge: **GUIDING PRINCIPLES**

**Fully dependent on Jesus, we invest in people and opportunities that enable disciples, leaders, and churches to grow, multiply, and thrive.** A nation in Southeast Asia where One Challenge works has been hit hard with COVID-19. Peaks of “official” numbers climbed to 2,000 COVID-related deaths per day. Amid tragedy, the Lord is at work. Many disciple making movements are growing with new believers. One group went from 100 women in the process of becoming followers of Christ in March 2020, to now 658 women coming to the Lord! Salvation is the Lord’s. What a blessing to be part of this exciting work!

## FRUITFULNESS

**We value the body of Christ and engage in strategic partnerships out of a conviction that the whole is greater than the sum of its parts.** In 2020, OC partnered with 770 organizations. One of those, the Global Church Planting Network (GCPN), connects leaders of church planting movements around the world. They share notes and ideas on how to encourage the multiplication of churches in areas where there is no existing church. Many OC workers engage with this network regularly, most often to support and train national church leaders. In January 2020, OC mission worker Dick G. took on leadership for the GCPN. You too can join in the work of the GCPN through a Global Day of Prayer (*see information below*).

## COLLABORATION

## Would you join the GCPN for a Global Day of Prayer?

This 24-hour virtual prayer gathering on **Saturday, October 9, 2021** will conclude from **9-10 a.m.** on the West Coast of the United States.

Join the Zoom link:

**OCT 9 – GLOBAL DAY OF PRAYER**

**MEETING ID: 831 3818 1781**

**PASSCODE: GCPN**
