

OC GLOBAL ALLIANCE IMPACT

LOVE THAT MULTIPLIES

One Challenge USA is privileged to serve as one part of the OC Global Alliance. This association of 15 sending centers spread across the world shares a common vision, mission, values, and strategy. Imagine how this commitment to partnership multiplies the love of Jesus to grow new believers in the global church.

Each year in our annual report, we share what the Lord has done through all 15 centers. This collective effort showcases what happens when the Holy Spirit works through multinational partnership and multicultural teams. We truly are one body of Christ *transforming nations together*. Thank you for your partnership with the OC Global Alliance!
